Joseph & Georgena

Joseph and Georgena are celebrating their anniversary on February 14th. They have been married many years and had many roadblocks but they have overcome them through faith, prayers, and going to church.

Joseph and Georgena love going to Bridges and being with their friends. Their favorite song is “Happy” by Pharrell.

Why I Like Stephen King Movies

By Jojo Well, I CARRIE a crush on THE SHINING star, Stephen King. He can really put on a CREEPSHOW with a dog named CUJO, also he will get you stuck in THE DEAD ZONE with a car named CHRISTINE. THE CHILDREN OF THE CORN are more frightening than a young FIRESTARTER named Charlie McGee (a girl). Through a CAT'S EYE, somebody is trying to kill a werewolf with a SILVER BULLET in their rifle. Stephen King will put MAXIMUM OVERDRIVE in his work, also he would ask his fans to STAND BY ME [him] for support while he makes another CREEPSHOW 2. He is always THE RUNNING MAN that runs the show at a grim place called PET CEMETERY. On the unholy ground he will tell TALES FROM THE DARK SIDE while working his GRAVEYARD SHIFT in MISERY, when he looked around he saw a bunch of SLEEPWALKERS at THE DARK HALF of the grave.

Seeing NEEDFUL THINGS wanting something in SALEM'S LOT, IT sprung from the ground like misty smoke and scared them off, but relentlessly SOMETIMES THEY COME BACK for more of their GOLDEN YEARS. Nevertheless, Stephen King would take THE STAND against those beings from Normal Valley called THE TOMMYKNOCKERS.
